METRIC

Pondy Oxides and Chemicals Limited (POCL) is a leading recycling company specializing in Lead, Plastics, Copper, and Aluminium. The company operates as 'The Urban Miners', focusing on sustainable circularity and value-added products through advanced recycling technologies.

- Achieved highest-ever quarterly and half-yearly revenue, EBITDA, PAT, and margins in H1FY26.
- Strategic focus on Target 2030 vision: 15% volume growth and 20% revenue CAGR.
- Strong financial health with a healthy net cash position and consistent dividend payouts.
- Diversified portfolio across Lead, Plastics, Copper, and Aluminium with increasing capacities.

Outlook & Valuation

The company is positioned for consistent long-term growth through capacity expansions in Lead and Copper, and diversification into new verticals like Lithium-Ion recycling.

Quarterly Financials (Consolidated)

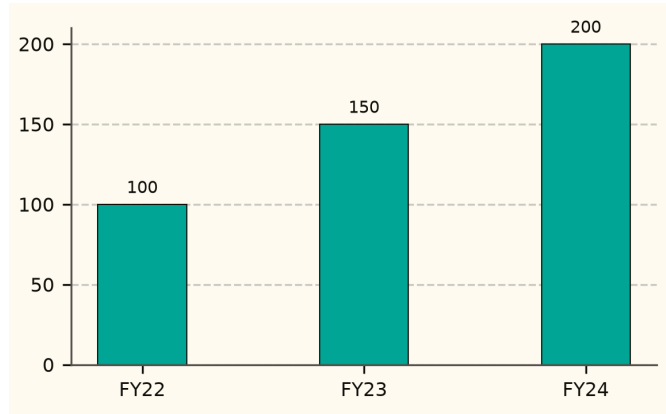

Rs.cr	Q2FY26	Q1FY26	Q2FY25	YoY (%)	QoQ (%)
